

DEXAFIT^{ai}™

COVID-19 Infection Prevention Measures

Please wait in the designated area at the top of the stairs

Your technician will escort you at your appointment time.

This allows time to sanitize the office between clients

SOCIAL DISTANCING

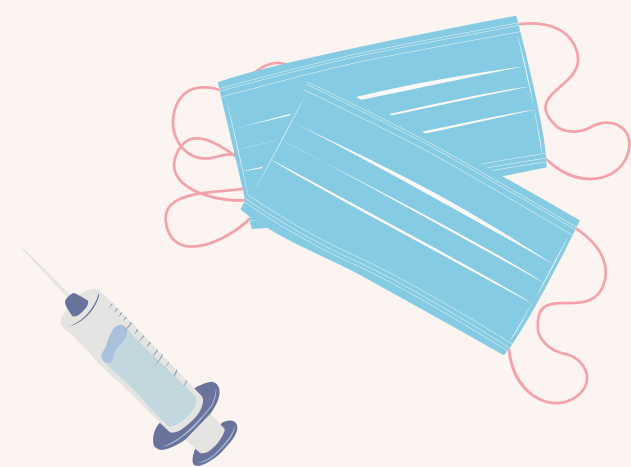

6' social distancing should be maintained when possible in our office.

One Client permitted at a time. Children, family and friends are not permitted during your appointment.

MASKS & VACCINATION REQUIRED

Proof vaccination and all clients and staff are to wear a mask.

RMR & VO2 MAX APPOINTMENTS

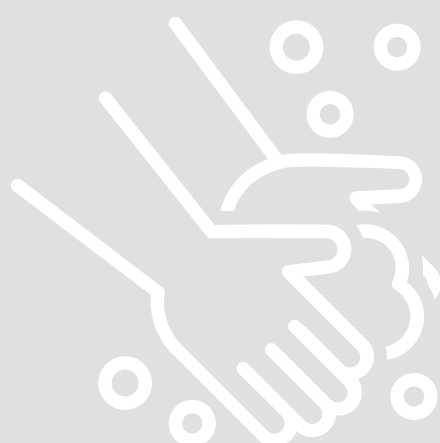

Proof of vaccination (2 weeks after 2nd dose) **AND** a negative COVID test.

COVID test within 3 days of appointment.

SANITIZE YOUR HANDS

Wash your hands with soap and water or use hand sanitizer before and after your appointment.

IF YOU ARE ILL – STAY HOME

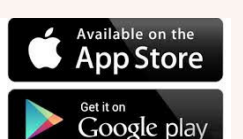

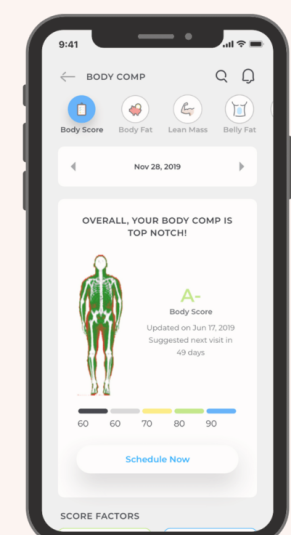

If you are not feeling well or have been around someone not feeling well, please cancel your appointment.

Cancellation fees due to illness waived. No-shows will be charged.

DOWNLOAD DEXAFIT AI APP FOR RESULTS

We use the DEXAFIT ai App to review testing data during your appointment. Available for iOS and Android devices.

Stop the Spread!

These measures ensure the health and safety of our staff and clients. Thank you!
